

Paragraph

- indent or skip a line

 = indent

- one central idea
 - thesis statement
 - general
- all other ideas directly related to main

 = thesis statement (TS)
 = every sentence after must relate back to that TS

You can't go off to another idea.
 Everything must support these,
 must talk about the same topic.
 This is very important

- any length
- details
 - why important
 - reasons
 - examples

- Flow
- bridges
- key terms

 = idea
 = connected ideas

- end with bridge
 (or start with bridge)
